CRAIG DURHAM, United States, 2018. Paperback. Condition: New. Language: English. Brand new Book. In 1998 two friends set out on a seemingly normal mountain bike ride into the deep forest of the Pacific-Northwest. What followed would be the harrowing adventure two friends faced after getting lost in an unfamiliar environment. The adventure would take them over rough terrain. From peaks to valleys without food, water or supplies. Through the hardship and difficulty this adventure brought two friends face to face with the elusive Bigfoot! This is not just a story about Bigfoot. This is also a story about family, friends, growing up & lessons learned. In this story I talk about the vacation my best friend and I had taken some years ago. We travelled from Boston, Ma to Mount. Shasta in Northern California. I explain the details of our trip as well as the friends and family involved and how it all led up to the encounter. This was a life altering experience that had a profound outcome on our lives. The experience we both had while lost in the woods was truly unbelievable. This adventure also brought me back to my true love and I owe it all to. The Day I Met Bigfoot!.
